

# Utility Belt of Onomatopoeia

*Wondrous item, rare (requires attunement)*

When you hit with an attack using an improvised weapon while wearing this belt, you can expend a charge to create one of the following effects:

- The attack deals 1d4 additional damage
- You cause a large or smaller target to fly 10ft horizontally in any direction.
- If the target is a large or smaller creature, you cause them to fall prone.
- If the target is a creature, their movement speed is reduced by 10ft until the start of your next turn.
- If the target is a creature, it loses its reaction.

This causes conspicuous onomatopoeia to appear in the air next to the attack, accompanied by a loud and appropriate sound effect and musical flourish.

This belt has 4 charges, and it regains 1d4+1 expended charges daily at dawn.
